Press Release

WGN Radio Brings “Hometown Voices” Tour to Frankfort

The Village of Frankfort will be host to WGN Radio's “Hometown Voices” Tour when the Spike O'Dell Show is broadcast live from Enrico's Restaurant on Friday, August 22. The “Hometown Voices” tour brings WGN Radio programs to selected Chicagoland communities. Back in October of 2007, the Village requested to be considered for the popular tour. WGN Radio recently notified the Village they had been chosen for the live broadcast and had chosen Enrico's for the location for their program.

The public is welcome to join Spike O'Dell at Enrico's Restaurant (427 N. LaGrange Road in Frankfort) from 5:00 AM to 9:00 AM on Friday, August 22. Mayor Holland will be a guest on the show. Enrico's Restaurant will open its doors early that day to serve a special breakfast menu for the event.

“The Village is honored to be chosen for the “Hometown Voices” Tour and to showcase our beautiful community. I'd like to invite our residents to join us and welcome Spike O'Dell and WGN Radio to Frankfort,” commented Mayor Jim Holland.
